13th & 14th August 2011

**Competitor Bulletin No 1** Issued 18:00 22nd June 2011

**Dear Competitors**

Many thanks for your entry on this year's Richard Burns Memorial Rally - the interest we have seen this year has been phenomenal and certainly kept me busy!

Now that the entry is approaching the maximum of 130 I feel I should remind you of the criteria for acceptance of entries. As stated in the Supplementary Regulations, entries are accepted on a first come, first served basis with preference given to correctly submitted and completed entry forms. All entries are acknowledged on receipt (assuming contact details have been provided), but they are not accepted until the appropriate entry fee has been received.

The priority I will apply, once 130 (accepted + pending) entries have been received, is:

1. Full payment received.
2. Completed details for both crew members.
3. Date of entry submission (i.e. earlier entries get priority over later ones).

What this means is that any new entries arriving with full payment after 130 entries have been received will take priority over any pending entries. I have not banked any entry cheques yet, but will start to do so next week. Any new payments received going forward will be banked on receipt. If it becomes necessary to run a reserve list, I will use the same priority as above, but will contact each crew to see if they wish to go onto the reserve list. I will then contact crews using that priority as vacancies become available. No reserve entry payments will be banked until the acceptance is confirmed.

**Other points to note:**

1. There are still a reasonable number of incomplete entries, in particular next of kin details, car / class details, crew details, licence numbers etc. Please can you complete these ASAP - otherwise they will need to be completed by hand during Documentation before you can sign on, causing delays and frustration to you and your fellow competitors..... Log in here to update your entry.
2. Please note the list of invited clubs, as stated in the Supplementary Regulations. There is a list available on the website for reference - see here. You need to display a valid membership card for one of these clubs or join KLDLMC on the day - we offer Associate Membership for £10 on display of a valid membership card for any MSA-registered club. Alternatively, full membership can be taken out for £15, which will be valid until the end of 2011. Again, please inform me (if you haven't already indicated on your entry form) if you intend to take up one of these membership options in advance, so we can get paperwork prepared.

Sorry for such a long message, but I hope this clarifies a few issues. If you have any questions please get in touch. Wishing you all a successful & enjoyable event on 13-14th August.

Best regards,

**Paul Davison**
